Yes, you can mix and match!

turning ages 3-4

For ages 3-4, we have

Under the Sea Parties

where we touch whale bones, meet a hermit crab, and play ocean games.

We set up play areas around the museum (or our outdoor back lawn, if it's a bright day!) with one or more of the following focuses:

Fishie Fun

Go 'fishing' and enjoy colorful fingerpainting in our workshop (or choose from our other crafts).

Billions of Bubbles!

Have fun with oodles of bubbles, blow bubble mountains, paint with bubble wrap, and create bubble print art!

World of Shells

Touch different shell shapes, learn about animal coverings, and create beautiful shell art.

turning ages 5-10

Pirate Bash

Get ready for swashbuckling fun! Mateys can follow a treasure hunt, learn piratey words, run around in Pirate & Shark tag, play games, and create a fun pirate craft (you choose from our selection).

Under the Sea!

Celebrate your birthday with the wonders of the sea with fun ocean crafts, aquatic games, and fin-tastic activities. Touch giant whale bones, meet a hermit crab, go 'fishing,' and travel to the bottom of the sea to play glow-in-the-dark tag. Choose from our selection of ocean crafts.

Shark Party!

Become a shark scientist and get ready to excavate real shark teeth out of ice! Watch out for a frenzy in our shark tag game, and create shark-tooth necklaces, fossils, or decorate shark hats!

Mermaids & Company Party

Learn about ocean animals - and pretend ones like mermaids! Swim around the museum in mermaid tag, decorate mermaid tiaras, pin the necklace on the mermaid, and create a colorful mermaid craft.

A Whale of a Party

Learn about the wild and wonderful world of whales, the largest creatures on earth! Touch a whale rib, play Whale Tag, and have fun playing whale games around our galleries. End with your choice of a whale craft.
