

# ATTENTION TEACHERS!

## Your Students Can Design The Whaling Museum's Window Display!

**Ideas:** We invite local classes from Nassau and Suffolk counties to use the Museum's front window display as an exciting opportunity to exhibit relevant student artwork. We encourage creativity and especially welcome bold, eye-catching submissions. Ideas can range from colorful I Love Whale/Ocean Flags to Maritime History or Sea Life Explorations, or Recycled-Materials Artwork to Promote Ocean Conservation.

**Ages:** Pre-k through High School. **Deadline:** Ongoing through 2013.

**Size & Material:** All media materials welcome; receive our approval *before* starting project (see below). You provide all materials, we provide the space; museum may be able to assist with display stands. Artwork may hang for 1-4 months, depending on scheduling availability. Full details at [cshwhalingmuseum.org/studentart](http://cshwhalingmuseum.org/studentart).

### How to Submit:

- 1) Visit [cshwhalingmuseum.org/studentart](http://cshwhalingmuseum.org/studentart)
- 2) Receive an official thumbs-up
- 3) Drop your artwork off at the museum!
