ENTRY FEE: \$20: includes free 10x10 canvas to be picked up at Museum front desk Tuesday-Sunday 12-5 pm or at Museum office Wed-Fri 10-4pm

ENTRY DEADLINE: September 15, 2021

EXHIBIT DATES: October 5- December 31, 2021

SUBJECT: Find a creative way to interpret or incorporate "85" (or 8 or 5) into your piece: 85 year old object in still life? Infinity? 5 person portrait? The finished work must use the 10 x 10 canvas as a base (watercolor or photography may be mounted on canvas) and be able to be hung on a wall, but beyond that, let your imagination soar!

JURORS: Award-winning painter and former art educator Margaret Minardi and watercolorist and art educator Elizabeth Fusco.

DETAILS: 10x10x85 will feature creative works using a 10x10 inch canvas provided by the museum as a starting point. From there you can paint directly on the canvas, create a mixed media piece, assemblage, build a sculpture on it....get inspired!

All works will be on sale for \$100 each during the exhibition period. There will be a 50/50 split on proceeds with the artist, unless the artist would like to donate 100% of the sale to the museum. All funds raised will support museum education programming.
