"WHALERS WANTED" WORKSHOP

Gr. 1-5

February is Black History Month

Did you know whaling was the first integrated industry in America? Celebrate Black History Month by learning about the contributions of African-Americans in our whaling history and create your own wooden ship craft.

MARCH

GIRL POWER AT SEA

Gr. 1-5 | Tweens/Teens

March is Women's History Month

Discover the awesome adventures of 19th century American women who sailed around the world on whaling ships and learn about their incredible experiences and accomplishments. Make and decorate an inspirational collage to hang up at home.

APRIL

EARTH SCIENTISTS

Gr. 1-5

Earth Day is April 22

Cleaning up Earth has never been more fun! Explore the dangerous effects of oil spills and water run-off through an educator-led watershed model demonstration. Decorate your own fabric tote bag to reuse again and again.

MAY

SPRINGTIME SHARKS NEW

Pre-K/K

Have your ears picked up springtime sounds yet? Did you know that sharks use their entire body to hear?! Discover the fascinating super-senses that helped sharks become amazing apex predators and create a unique shark craft of your own to take home.

JUNE

SUMMER SOLSTICE CELEBRATION

Gr. 1-5

Summer Solstice is June 21

Celebrate the summer solstice, the day which has the most sunlight of the year! Explore the Sunlight Zone in the sea and the unique creatures that live there, then create a colorful summer lantern to brighten your home!
